EMPLOYMENT CONTRACT TEMPLATE

Order form

Written contracts of employment are implemented to clarify the terms of engagement between associated parties and to minimise the risk of disputes through having a written record of the agreed terms. Having the appropriate written agreement in place is vital to ensure you provide a clear understanding on the terms negotiated, and to reflect current legislation and case law. AMA Queensland has the following set of contract templates that can be implemented when drafting contracts for your practice staff. The Contract Templates are provided electronically for ease of access. The templates are available for staff covered by the *Health Professionals and Support Services Award 2010* (HPSS Award), the *Nurses Award 2010* and for doctors engaged as employees.

Disclaimer

The template contract(s) are a useful document that clearly sets out the terms and conditions of employment when hiring new employees or confirming arrangements for existing employees. The template contracts are just that, and have been drafted so that they are general in nature and do not constitute legal advice. If you are unsure about how they apply to your medical practice or situation or you want to vary the document in any way we recommend you first contact us to discuss. You can contact the AMA Queensland Workplace Relations team on 07 3872 2222 or via email on workplacerelations@amaq.com.au. If required, we can also put you in touch with our preferred legal partners HWL Ebsworth. On that basis, to the extent permitted by the law, AMA Queensland will not be liable for any damage, including loss of business or profits, in relation to use of these template employment contracts. Where any law implies a liability which cannot be excluded, any such liability is limited and provided for by the Competition and Consumer Act 2010 (Cth).
